Classroom Technologies available thru SAA Educational Technology Services (ETS) Lecture capture List of rooms with Lecture capture: http://edtech.ucsf.edu/video-services/class-capture	Main ETS Support edtech@ucsf.edu 415-476-4310 513 Parnassus, S43 (Med Sci lower level) fax: 514-3735
Video Conference facilities Two-way communication with IP-based video conference equipment. List of rooms with video conferencing: http://edtech.ucsf.edu/video-services/video-conferencing/venues	
Audience Response Systems (clickers) iClicker audience response system allows interactive polling during lectures. A brief training session is recommended for new users.	Email edtech@ucsf.edu to reserve. Pick up at ETS office.
TLC (and other) Room Reservations Ad hoc rooms reservations can be made online at https://saa-09.ucsf.edu/25live/ . Numbered, academic classes are given priority in booking and requests for TLC rooms must be accompanied by a brief written statement of intended use.	For a complete explanation of scheduling policies, go to edtech.ucsf.edu/classroom-services/scheduling/reservations
AV/Video Conference Support Technicians arrive prior to the start of event to prep for presentations. For a small fee, technicians can remain on site if needed. Rates for non-academic courses and after hours: http://edtech.ucsf.edu/v-services/event-support-rates (Rates will change for FY 2012-2013)	edtech@ucsf.edu 415-476-4310
Video Production From video conferencing to digital editing, ETS provides an array of video services to enhance the academic, research and public outreach programs at the Mission Bay, Parnassus, Laurel Heights and Mt. Zion campuses. Rates: http://edtech.ucsf.edu/video-services/rates (Rates will change for FY 2012-2013)	edtech@ucsf.edu 415-476-4310
Teaching with Technology Solutions The ETS Team can help find the right technology for classroom or special presentations, whether it involves web conferencing, video conferencing, or special hardware and apps.	Call us to set up a consultation or presentation 415-476-4310
Other classroom equipment Equipment not available in some classrooms can be borrowed from ETS office. Document cameras, VCRs, overhead projectors, slide projectors - all available at no charge for classroom use. A modest fee is charged to non-class and off-campus use. Complimentary VHS to DVD conversion is available.	See classroom features page on ETS website to determine what equipment is already available in classroom. edtech.ucsf.edu
